

# *TWILIGHT WEDDING*

A full-page photograph of a wedding couple standing on the stone steps of a large, ornate cathedral at night. The groom is wearing a green jacket and a kilt, and the bride is in a white gown with a long train. The cathedral's facade is illuminated with warm lights, and the sky is dark with visible stars. To the right, some trees are lit with purple light. In the bottom left corner, there is a logo for 'COATS PAISLEY' featuring a small building icon.

## Why a Twilight Wedding?

Wedding days can be stressful enough for many couples and the thought of spending the entire day at the centre of attention can be very daunting.

With a twilight wedding, you effectively cut the day in half. You have your ceremony in the early evening then straight into your wedding reception.

No formal sit-down meal, no stress of choosing your day guests and no formal speeches, unless of course you want to have them.

**Earlier ceremony time available for an additional fee**
